What's new:

Details:

A gleaming magical land scattered with beautiful fields and delightful inns. A land where adventurers come to brave endless waves of monsters, and an adventure awaits you!

In the future, the "Elden Ring", a series of ancient rings which grants a great power, appeared in the vast land of "Land Between", which is separated from the mainstream Elden Ring civilization. High in the sky, a dome floats called "Altador Island", where a small number of people live peacefully.

Enter a world of adventure where you define your own protagonist and journey to Altador. Create your own character, equip items, take on evil monsters, and go on quests. You'll get to choose from a variety of characters and costumes. Explore the world to find magic skills, experience items, and trees that grant "NPC buffs". Equip your character with equipment to increase your attributes, so you can take on challenges more efficiently. Unlock new equipment from "daily missions" and through "GM missions". The largest dojo in the game, "Elden Ring Job Shop", allows you to also obtain items offered to those participating in "GM missions".

As you delve deeper in the story, you'll encounter gates. These gates are closed during the day or night, which changes your party's stats. Or, entrance to different dungeons or villages may only be open at certain times. The deeper you go, the higher the probability of encountering an enemy, and vice versa. The day and night cycle can also affect your combat capability. Set the time to 00:00:00 for a battle to be guaranteed. For example, you can set a battle with a battle time of 3 to be attempted after dark, and set a battle with a battle time of 8 to be attempted at night.

You can play in one of the areas: "Tarnished Wood", "The Known World", "Sprintis", "Cloud Mist", "Magma Wastes", or "XJ-

K". If you play in each area in turn, you get each area's loot, but if you just go and then return, you get the loot earned only in that area. You can help other players by earning special rewards, or by participating in "Quest Bait" events.

You get a title that you can equip, such as "
