Another Terry Goodkind book has been released and Richard Malkinson -- known for two things, making terrible movies and taking out handicapped people for fun (and often profit) -- has managed to do both with his latest attempt. After reading all of the above, allow me to reuse the classic expression: "Boy, does this guy awnser to himself."

When I wrote the first English translation of Les jeux d'eau and de la chasse, people in France didn't think much of the book. Two months later, I published an English-translated version that sold 4,000 copies in six months. English publishers weren't interested in it at the time. They always hated Les jeux d'eau and de la chasse because I had great fun with it. It was full of jokes. It was full of paradoxical sentences. English publishers were horrified about it.

Once,
