You can also download free macOS Sierra 10.12.6 build 14D85, which is currently in testing by Apple.Q: Is it ok to migrate a closed question? I came across this question on MSE: Is it possible to determine the order of points scored for each user in a quiz game? Although it was closed as off topic, it was asked by a student with a good amount of reputation, which makes the question on topic. I'd like to ask the OP whether they'd like to migrate the question to AU. I wasn't here when the question was asked, and I would like to know the policies for migration of a
