In this technical analysis video, I provide a detailed look at the technical levels that are currently supporting this price move. I will be looking at a number of moving averages, and what various moving averages are telling us right now. The video has 7 segments, and this will give us an idea as to how the price should be evolving as the market decides what the right levels are going to be. If you want to get the most out of this technical analysis video, you will have to understand it in this segment by segment manner, so I will start with the most important and longest segment - the 1-hour high vs the 4-hour moving average level.
