"The Stream" is a first person shooter, where you step into the shoes of a Nazi officer from the Second World War. It took 15 years of development until we achieved what we consider to be a true, accurate depiction of the Second World War, and we think you will agree that our goal was achieved.

Our story begins in 1941 during the invasion of Poland, and continues to the end of the war in Europe. You'll go on a long journey through a war that lasted five years. You'll fly from Warsaw and fight for your own survival, which is the best thing a soldier can wish for. But the game is a shooter. You'll get up close and personal with all of its protagonists: paratroopers, tank-men, fighter pilots, and of course, infantry. KEY FEATURES: • German Invasion of Poland, 1941 The invasion of Poland has just begun. The Germans have already mounted many operations in France, Belgium, Czechoslovakia and East Poland. Polish forces, however, have not yet succumbed to the unprecedented German offensive. The Warsaw elite is ready to defend the capital of Poland. • Struggle for Warsaw As a participant in the Warsaw Resistance, you'll experience firsthand all of the most harrowing events of the Second World War. On the eastern side of Warsaw, the German forces tried to take control of the stronghold of the Polish army in the Second World War. It was defended by Polish officers and members of the Polish Home Army. "The Stream" is an authentic portrayal of the fighting on the eastern side of Warsaw, including battles for the area of Bastion Street. • Tank Hunting You'll get closer to tank hunting. You'll have the opportunity to drive a tank, providing for an ever-increased level of immersion. You'll also be able to use the tank's cannon and machine gun to destroy your enemies. You'll face the enemy with a monocle on your eye. • Enemies of all kinds You'll confront many different enemies in the game. You'll never need to use your pistol to kill them. In addition, you can choose to take down your enemies with your gun or melee them. The mode of attack is flexible, and you'll have the chance to change it at any time. • A weapon that meets all requirements You'll be equipped with many different weapons, all of which

and Blastable Tiles! Jezuz, the building on the left is the Dubai Mall and the one on the right is the Souk Al Bahar! You will see the center of both areas from the ferry/barge! Let the Blastin' begin! (The noise is from the Ferris Wheel!) For our group, this was our second Bahamian resort we have been to. We were here three years ago and loved it, so when we returned this year we wanted to explore more of what Nassau has to offer and this is what we ended up doing! Here are a few of the things I didn't mention in the previous article, which I guess I should have: The Barge Ride - \$11 an adult, or only \$6 for children! The Sand Cabanas - \$179.00 Goodbye baggage fees! After a delicious breakfast at the Hopper's Nest Cafe, we boarded the ferry for our ride to Treasure Island. I know what you are thinking - there are no ships in Nassau! Well, you are wrong - the Bahamas does have ships! On this day we were visiting their Floating Pier, it's kinda like the Sea World of Nassau, if you have seen it. We hopped on a Foot Clicker, boarded a small boat and climbed a platform and then went down a slide, had some fun and then wandered around near some of the Hurricane Bay area. They also have a lot of live entertainment. They also offer fantastic activities for kids. Loads of options here! Coral Reef Cruises - \$79.00 for adults, \$37.00 children 15-17 Another way to enjoy the Bahamas, at a lower cost! Icing on cake! We opted for the Premier Cruise which meant we had a very nice lunch, an unlimited Spa Product and there were staterooms with Hot Tub! Read more here! Because we were all in different spots working, Josh, Dave and I spent time at the Nassau Cruise Port, explored the area, had lunch, enjoyed a baby sitter for a while, then did a little shopping in the Souk and then they wanted to go back to the Dominican Republic, so I drove to the airport and followed them! I will be a return visitor within this next year! As always, make your travel decisions carefully, there are many options here and
