Moldex3D provides a full version installation package that includes theÂ .SINGAPORE: The imported items are to be returned to shoppers who asked them to be delivered outside Singapore or where they have already been delivered. The move, if done

at the time of delivery, will be refunded. If not, the customer must pick them up within 10 days. This is the follow up from the number of orders placed for goods imported by non-Singapore residents that have not yet been delivered in recent months. Customers who have asked for delivery outside Singapore and have not been informed of the change can now make a claim for the missing goods. "
