heritage if not all of the monuments at the Giza plateau (by including a massive building there and hiding any genius of nature) or you can just take advantage of this ancient genius that is giza and make money out of it. I think your argument is sh*t, I love Egyptian stuff but we can't destroy their history to "make money" out of it... My argument is not sh*t, but where I am speaking of, they are taken about 5 times a year and they treat it as a mass grave, so I think it is okay for us to take advantage of it, but we can not destroy anything so I think we have to make it look better so it is not as offensive or disturbing as it is. If we take advantage of it, then why don't we make it look better? With more dirt, etc. Why can't we make it look more normal like countries that don't have a

pyramids and/or land to sell for money? if it wouldn't be so big, and you don't have to travel so far, I think the pyramids would make a really great place to visit. Actually my arguement was not sh*t but I said it to be insulting. Its not sh*t, the temples in Japan are there to make money. Its not so offensive because we are trying to make a better place. We do that in every country, we don't do it because its a paid job or whatever, we are just trying to make an atmosphere where
