the catalog, a symbol of trust and reliability, is the most comprehensive source of information about the complete global automotive aftermarket. it is issued monthly and contains more than 40.000 international suppliers. all data in the catalog is referenced to o.e.m. (original equipment manufacturers), ncap (national car assessment program), which is maintained by the u.s. department of transportation. "fachkundige" zu lachen, wer das letzte wort tippt, der hat bestimmt noch nicht gelacht, und derjenige, der "unterhaltungsmensch" wird als "menschheitsverbrecher" bezeichnet. aber alles, was mensch ist ist selig - weil es ein warmes gefühl in sich trägt. "geschichte ist nicht licht, sondern dunkelheit, die nach und nach entwirbelt wird, und nicht mehr in der menge, sondern in dem einzelnen dieses wort zeigt uns, dass uns die zukunft nicht leicht werden wird. aber wir haben den schlüssel für sie gefunden: bewusstes leben." heinrich von treitschke "vergebliches leben"

## **Tecdoc Catalog 2Q.2015 Multilingual**

i was very pleased that my son hubert kutnak jr. was able to join us so that we could highlight the growth of the company. according to him, we have some big plans for the next year and the market is very interesting for us. but maybe i would not be so excited as he is. we will present our new products and for sure it will be a great pleasure to talk about them. tecdoc is a global, e-commerce database for the automotive industry, covering more than 30 countries. its part of the bosch group which is one of the world's leading engineering and electronics corporations. the catalog, containing more than 40.000 suppliers, serves as reference for the automotive industry, for manufacturers of truck and bus components, for oems, tier 1 and tier 2 suppliers, for the automotive aftermarket, for vehicle developers and for automotive buyers. tecdoc is one of the most important sales networks worldwide.

---

originally, in 1994, tecdoc was developed to meet the needs of the international aftermarket, and later changed to be the must-have catalog for oems, tier 1 and 2 suppliers, aftermarket dealers and vehicle developers. from there the catalog has expanded to cover practically all european markets. from the beginning of the brand name to date, the catalog has always played a key role in the global automotive business: a lasting presence and reliability that helps car and truck producers to save time and money. the catalog, a symbol of trust and reliability, is the most comprehensive source of information about the complete global automotive aftermarket. it is issued monthly and contains more than 40.000 international suppliers. 5ec8ef588b
