237. Beyond a protective function, rights play a crucial role in the initiation and promotion of change. Here the concept of negative liberties, which is indispensable in the humanistic tradition, is crucial, particularly freedom from unnecessary constraints and from forms of coercion. This is why the protection of rights presupposes the full development of an individual, a respect for her or his personality, and a rejection of intolerance. Public and private life may not be separated, as some individuals and groups seek to do today. We need a firm constitution, firm laws, and effective political and social structures. Rights are what make us what we are. new concept english book 3 download 207. Today, except for a few States, the concept of citizen is applied only to adults. Children are not counted or their rights are not protected. In many countries, the rights of minors have been enhanced, but issues like cultural and religious education are still dealt with in an individualistic manner. The rights of the unborn, which are enshrined in international conventions, still need to be negotiated in national legislation. Governments have been slow to ratify the Convention on the Rights of the Child, which is now three decades old. Regarding the rights of refugee children, it appears that many governments lack basic information about them or it is assumed that they have no rights. For this reason, conditions of children deprived of their liberty, children in armed conflicts, and homeless children are precarious. new concept english book 3 download 202. The individual is confronted with an overload of messages, practices and products. This leads to multiple and sometimes conflicting pressures. Helping to find the best way to balance these pressures is not always easy for citizens, who are often confused and besieged by conflicting desires, interests and needs. They therefore ask for clear and simple advice. That is why public policies should be linked to a clear system of values and a clear vision of the desired future.
