TamilKamakathaikal is a Tamil language novel written by Kalki Subramania Naidu. The book is a collection of stories from a woman's point of view, describing her experiences in the Tamil society and caste system. Her husband, for example, forced her to shave her hair and was worried that she would lose her caste by going to work as a maid in a white collar job. One of the stories is about a woman who lives her whole life in a village in what is now Tamil Nadu. As of 2012, the translation was published in 13 languages across 24 countries, including English, German, French, Spanish, Chinese, Polish, Portuguese, Hungarian, Russian, Italian, Dutch, Swedish, Korean and Thai. 5ec8ef588b
